Annual Report

2022/2023

Message to the Community

Dear Jericho Library Community,

You voted to approve the library's 2023/2024 budget which falls under the New York State allowable tax cap and reflects only a 1.5% increase to the tax levy. We thank you for your support and will continue to maximize your tax dollars by providing high quality programs and services for all Jericho patrons.

You will soon see improvements at the library as we make necessary upgrades to our aging building. These projects will be paid for with existing capital funds. We look forward to sharing our progress with you on our website.

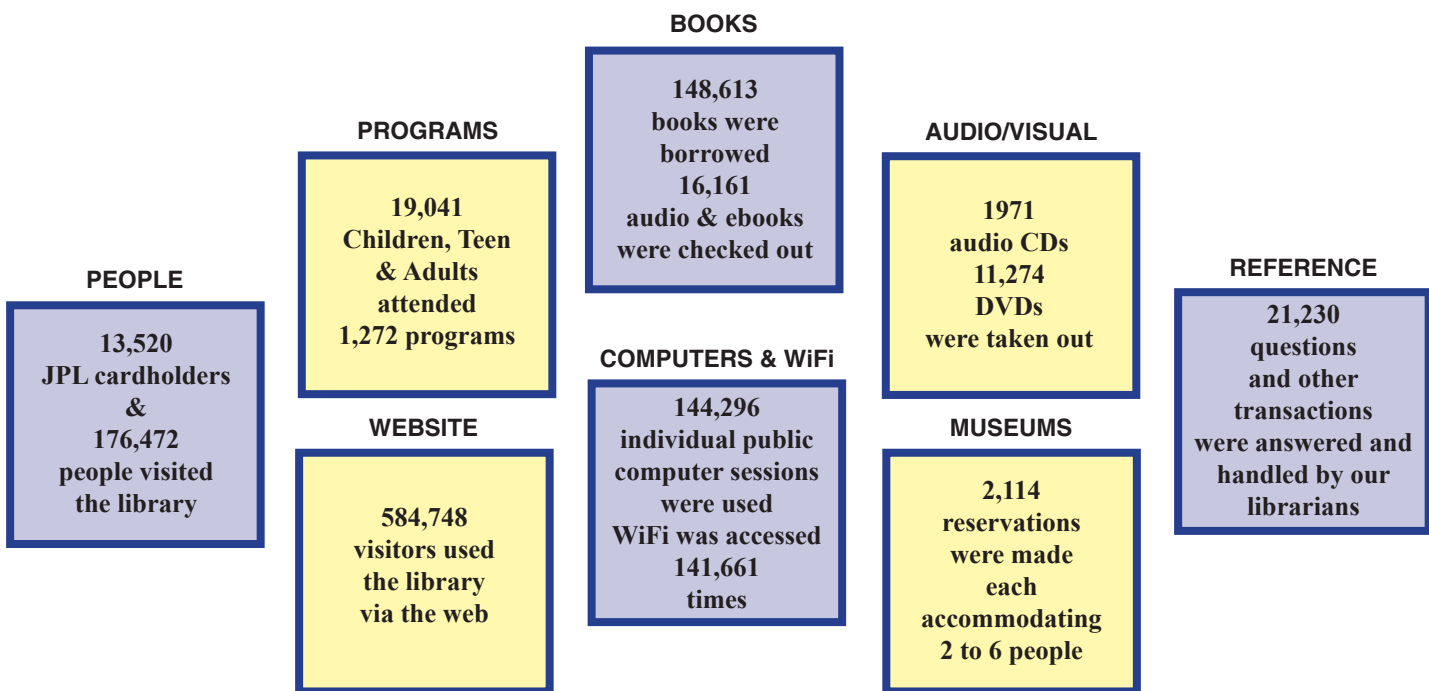

It is our pleasure to serve the community and hope you continue to use and enjoy your library.

Kind Regards,
Angela Cinquemani, Director
